TO: ALL VENDORS ON BLM

We have received information regarding your business that indicates you may be required to file for a new or updated permit with the Board of Equalization. To file for a permit (or permit change), you should apply at the Board office listed above or any Board of Equalization nearest you.

If you have more than one place of business (located at a different address), you may need a separate permit for each location. In some instances it is possible to obtain a consolidated permit for multiple business outlets. At the time you apply for a permit, be sure to provide information for all business locations so that we can issue the correct type of permit.
